Hear from our beneficiaries

“It has been purposeful for me to get up in the morning and make my way to MacPherson Community Club and engaged with Seniors’ Empowerment Programme (SEP). Being meaningfully occupied helps keep me alert and most importantly with positive social interactions, it helps me to also stay positive and be happy.”

- Mdm Lim Phek Hiang (79 years old, Senior beneficiary since 2017)

“I am grateful for Brighton Connection’s support and help, especially after my late husband passed on. They even went the extra mile to arrange for adult mentors to befriend and guide my son, Vishwaraj.”

- Ms Anithamary (Parent of Primary 5 student in 2023)

“Not all children can achieve straight A’s, but they can achieve their potential like how I did! I learnt to balance my time between studying and play so that I was not too stressed and knowing that I had friends and teachers who cared for me made learning more fun!”

- Ryan Wong (P6 Graduate of Year 2019)

“I regularly join as I feel that I can learn new skills and things every week and as I get to meet new friends and people each time, it kind of helped me to gain personal confidence.”

- Jefferson Tan (Sec 2 student in 2024)
